Hi All,

This is only one of the many calls and emails I have gotten about this encampment on this particular day. I scheduled it for CARE this morning by filling out the shared spreadsheet. But, even if it takes longer to address and we lose other CARE priorities, can we please ensure no trash is stewing into the street?

Thank you for all your attention and assistance with these matters--we appreciate your hard work to our District.

Best,
Tristen

Dear Arianne,

Please send some cleaning crew to clean up the mess along Rose Ave between Penmar Ave and Lincoln Blvd(next to Penmar Golf Course) as soon as possible.

Please ask the cleaning crew to clean up the whole street between Penmar and Lincoln instead of one small section of the street as before. If they just clean up one small section, that will not do any good.

Thanks for your prompt attention.
